

ANTH 304: Assignment 3

DUE: Beginning of class, Friday, November 8

You are the producer, writer and host of a cable television talk show that addresses current social and political issues. You have decided to feature **one** of the following theorists for a 15 minute segment on the show: (1) Bourgois, (2) Foucault; or (3) Haraway. In the episode, you and the theorist will discuss **one** of their key concepts and make it accessible to a general audience.

Your task: Develop a **one page** summary sheet for the segment using the following format:

1a. The theorist

1b. The theoretical concept the segment will address, *in your own words*

2. How you and theorist and you will present the concept in a way will engage, educate and entertain a general audience

3. A concrete example or two - other than those presented in the article we read - that applies the concept to a contemporary social or political issue. Be sure to choose an example that is different from

4. What you hope to accomplish with your audience – i.e., what's your agenda?
